

**OECD Brochure on Carrots**

The UNECE Specialized Section on the Standardization for Fresh Fruit and Vegetables

Amended the standard on carrots to allow discolouration of leaves in Classes I and II.

**Class I**

In case of carrots with leaves, the foliage may be slightly discoloured.

**Class II**

In case of carrots with leaves, the foliage may show some discolouration.

The following slides show photos that might be acceptable to illustrate these provisions – in the draft update photo 44 and 45.
