Ministry of Agriculture and Livestock

The Ministry of Agriculture and Livestock (MAPA) is the Brazilian government body in charge of public policies to stimulate sustainable agriculture and foster enhancement within the sector.

MAPA works to integrate sustainable development and competitiveness guaranteeing food safety as well as surplus food for exports, strengthening the domestic productive sector and facilitating Brazil's access to the international market.

Dear Visitor,

It is a pleasure to welcome you to the **BRASIL Pavilion** at **SIAL Canada 2024**.

The Brazilian Government is proud to present **19 companies** at this year's edition which will showcase products such as **Fruits (Lime, Mango, Banana, Avocado, Melon, Tangerine); Grape Juice; Rice; Beans; Plant Extracts, Oils and Powders; Coffee; Brazil Nuts; Natural Flakes; Yerba Mate; Honey and Propolis; Collagen; Chocolate**, among others.

In its deep commitment to keep delivering high quality and sustainable products to you and the world, Brazil is paving the way not only to meet the strictest standards when it comes to food quality, but also to guarantee food security for future generations.

***We invite you to enjoy
a taste of Brazil!***

Frutas do Brasil
Gifted by the Sun

ABRAFRUTAS

Founded in 2014, Abrafrutas has approximately 80 fruit exporting producer members and holds approximately 80% of the total volume of fresh fruit exported by Brazil. In addition, it has an institutional partnership with the Brazilian Confederation of Agriculture and Livestock (CNA) and the CNA Institute (ICNA), bringing together producers and processors who export fresh and processed fruits.

Through its associated companies, it aims to improve marketing, carry out institutional advertising and commercial promotion campaigns.
