

# Desafios em campos maduros e extensão de vida de instalações

Alex Garcia de Almeida  
Gerente Regulatório e Relações Institucionais

# Disclaimer

This Presentation has been produced by BW Energy Limited exclusively for information purposes. This presentation may not be redistributed, in whole or in part, to any other person.

This document contains certain forward-looking statements relating to the business, financial performance and results of BW Energy and/or the industry in which it operates. Forward-looking statements concern future circumstances and results and other statements that are not historical facts, sometimes identified by the words "believes", "expects", "predicts", "intends", "projects", "plans", "estimates", "aims", "foresees", "anticipates", "targets", and similar expressions. The forward-looking statements contained in this Presentation, including assumptions, opinions and views of BW Energy or cited from third party sources are solely opinions and forecasts which are subject to risks, uncertainties and other factors that may cause actual events to differ materially from any anticipated development. None of BW Energy or any of its parent or subsidiary undertakings or any such person's officers or employees provides any assurance that the assumptions underlying such forward-looking statements are free from errors nor does any of them accept any responsibility for the future accuracy of the opinions expressed in this Presentation or the actual occurrence of the forecasted developments. BW Energy assumes no obligation, except as required by law, to update any forward-looking statements or to conform these forward-looking statements to our actual results.

No representation or warranty (express or implied) is made as to, and no reliance should be placed on, any information, including projections, estimates, targets and opinions, contained herein, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained herein, and, accordingly, neither BW Energy nor any of its parent or subsidiary undertakings or any such person's officers or employees accepts any liability whatsoever arising directly or indirectly from the use of this document. Actual experience may differ, and those differences may be material.

By attending this Presentation you acknowledge that you will be solely responsible for your own assessment of the market and the market position of BW Energy and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the businesses of BW Energy. This presentation must be read in conjunction with the recent Financial Information and the disclosures therein.

This announcement is not an offer for sale or purchase of securities in the United States or any other country. The securities referred to herein have not been registered under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act"), and may not be sold in the United States absent registration or pursuant to an exemption from registration under the U.S. Securities Act. BW Energy has not registered and does not intend to register its securities in the United States or to conduct a public offering of its securities in the United States. Any offer for sale or purchase of securities will be made by means of an offer document that may be obtained by certain qualified investors from BW Energy. Copies of this Presentation are not being made and may not be distributed or sent into the United States, Canada, Australia, Japan or any other jurisdiction in which such distribution would be unlawful or would require registration or other measures.

In any EEA Member State that has implemented Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 on the prospectus to be published when securities are offered to the public or admitted to trading on a regulated market (together with any applicable implementing measures in any member State, the "Prospectus Regulation"), this communication is only addressed to and is only directed at qualified investors in that Member State within the meaning of the Prospectus Regulation.

This Presentation is only directed at (a) persons who are outside the United Kingdom; or (b) investment professionals within the meaning of Article 19 of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (the "Order"); or (c) persons falling within Article 49(2)(a) to (d) of the Order; or (d) persons to whom any invitation or inducement to engage in investment activity can be communicated in circumstances where Section 21(1) of the Financial Services and Markets Act 2000 does not apply.

**OSE listed – Ownership %**

**Euronext Growth listed – Ownership %**

**Private – Ownership %**

**NYSE listed – Ownership %**

# Contexto

- Aumento da recuperação através de investimentos adicionais e uso de infraestrutura instalada
- Manutenção de empregos e das participações governamentais
- Possibilidades de novos investimentos para o desenvolvimento de descobertas antes consideradas subcomerciais
- Ambiente altamente regulado e com viés de aumento de atividades

# Timing, multas e segurança operacional

## Key Challenges

...

Projetos novos *versus* projetos maduros

Prescrições *versus* performance based

Prazos exíguos *versus* ações complexas

Recordes em valores de multas aplicadas *versus* segurança

# Highlights

- Há um novo contexto com a operação de independentes no Brasil
- Investimentos na revitalização são primordiais para a extensão da vida útil dos ativos
- Há necessidade de iniciativas que suportem o melhor cumprimento da Regulação (e.g. ampliação do diálogo temático, normas, guias, suporte à formação de mão-de-obra, etc)
- *Timing* compatível com as complexidades envolvidas
- Construção conjunta da melhoria da segurança operacional
