

List of questions

to be answered in the host's statement

Please answer the following questions in the order given to produce a 1 – 2 page expert opinion. It should be accompanied by signed confirmation that research facilities will be made available. This information is important for the members of our Selection Committee to better assess the scientific qualification of an applicant.

- 1. Do you know the applicant personally, or are you in contact with anyone at her/his current institute?**
- 2. How do you rate the applicant's academic record and academic achievements to date?**
Please consider the following points: dedication, mobility, breadth of specialisation, academic productivity, future potential.
- 3. How do you rate the quality of the applicant's key publications?**
Please consider the following points: originality, innovativeness, impact on the continued development of the field, candidate's personal contribution (multiple authorship).
- 4. How do you rate the research outline the applicant has submitted?**
Please consider the following points: current relevance, originality, clarity of focus, academic (methodological) quality, feasibility at the host institute, potential for continuing the applicant's academic development, chances of success in the period envisaged for sponsorship.
- 5. To what extent were you involved in drawing up the research outline the applicant has submitted? Will it overlap/interact with other work being carried out at your institute?**
- 6. Adequate German and/or English language skills are necessary to successfully carry out the intended research. How, and on what basis, would you rate the applicant's (written and spoken) language skills?**

*Only required for applications submitted by **experienced** researchers:*

- 7. How do you rate the applicant's own research profile?**

Host's confirmation of research facilities and support

Applicant's name	Name of the proposed host
Name of the host institute	
Address of the host institute (Street, Postal Code, City/Town, Country)	
Contact data of the host institute (phone number, fax number, e-mail address)	

I herewith confirm that all the facilities, equipment and consumables necessary to carry out the research are available and that I am authorised to provide a workplace for the applicant.

I herewith declare that I am unaware of any facts or particular aspects that could speak against sponsorship, for example with regard to the applicant's personal integrity, potential conflicts with legally binding principles of scientific ethics, the rules of good scientific practice or the danger of armaments-related technology transfer as laid down in statutory regulations etc. Should I become cognisant of any such issues during the current selection procedure, or should proceedings be initiated for a contravention of the rules of good scientific practice, I shall inform the Foundation immediately.

I confirm that there is neither a close personal relationship (marriage, civil partnership), nor an immediate family relationship (parent, brother/sister, child) between the applicant and myself.

I affirm that if sponsorship is granted the researcher will be covered by the same safety and occupational health conditions as other researchers working at the institute. I will act as the applicant's academic mentor and guarantee both the academic supervision of the research stay and the observation of the rules of good scientific practice (c.f. information for hosts on the Humboldt Foundation's website) as well as of legally-binding principles of scientific ethics in the context of supervision.
