The provisions of this Memorandum of Understanding are not intended to create legally binding obligations or supersede domestic Laws and Regulations.
  - b. The Authorities should endeavour to ensure that no domestic secrecy or blocking laws or regulations prevent the collection or provision of the information set forth in 7 (b) to the Requesting Authority.
  - c. This Memorandum of Understanding does not authorize or prohibit an Authority from taking measures other than those identified herein to obtain information necessary to ensure

enforcement of, or compliance with, the Laws and Regulations applicable in its jurisdiction.

- e. The Authorities recognize the importance and desirability of providing mutual assistance and exchanging information for the purpose of enforcing, and securing compliance with, the Laws and Regulations applicable in their respective jurisdictions. A request for assistance may be denied by the Requested Authority:

After consultation with the Requesting Authority, the Requested Authority may disclose the fact that the Requesting Authority has made the request if such disclosure is required to carry out the request.

(b) The Requesting Authority will not disclose non-public documents and information received under this Memorandum of Understanding, except as contemplated by paragraph 10(a) or in response to a legally enforceable demand.
