## A POLITICAL DECISION AGAINST RACISM

Speech of President Luiz Inácio Lula da Silva at the 78th General Assembly of the United Nations (September 19th, 2023)

*In the remaining seven years, the reduction of inequalities within and between countries should become the bridging objective of the 2030 Agenda.*

*"In Brazil, we are committed to the implementation of all 17 sustainable development goals, in an integrated and indivisible manner."*

*"We want to achieve racial equality in Brazilian society as an eighteenth goal, which we will adopt voluntarily."*

## Targets and Indicators

Eliminate racial-ethnic discrimination at work

Eliminate all forms of violence against indigenous and afrodescendant people

Guarantee to indigenous peoples and Afrodescendants the effectiveness and expansion of access to justice

Ensure the equitable representation

Promote comprehensive reparation, memory and justice

Ensure adequate, safe and sustainable housing

Ensure access to quality, non-discriminatory health care

Ensure quality and non-discriminatory education

Social participation and the sharing of benefits of economic activities in territories historically occupied

Eliminate xenophobia
