

Letter of Agreement on Intellectual Property for Research

between

THE UNIVERSITY OF LEEDS, a charitable body registered in England under registration number RC000658, incorporated by Royal Charter and having its main administrative offices at Leeds, LS2 9JT, United Kingdom, hereafter referred to as "**Leeds**";

THE CHANCELLOR, MASTERS AND SCHOLARS OF THE UNIVERSITY OF OXFORD, whose administrative offices are at University Offices, Wellington Square, Oxford, OX1 2JD, United Kingdom, hereafter referred to as "**Oxford**";

IMPERIAL COLLEGE OF SCIENCE, TECHNOLOGY AND MEDICINE, whose administrative offices are at Exhibition Road, London, SW7 2AZ, United Kingdom, hereafter referred to as "**Imperial**";

THE NATURAL HISTORY MUSEUM, whose administrative offices are at Cromwell Road, London, SW7 5BD, United Kingdom, hereafter referred to as "**NHM**";

LANCASTER UNIVERSITY, whose administrative offices are at University House, B Floor, Bowland Main, Bailrigg, Lancaster, LA1 4YT, United Kingdom, hereafter referred to as "**Lancaster**";

THE NATIONAL INSTITUTE FOR SPACE RESEARCH, having its headquarters at Av. dos Astronautas, 1.758 - Jardim da Granja, São José dos Campos - SP, 12227-010, Brazil, hereafter referred to as "**INPE**";

UNIVERSIDAD AUSTRAL DE CHILE, also known as the Austral University of Chile, and having its main administrative offices at Independencia 631, Valdivia, Región de los Ríos, Chile, hereafter referred to as "**UACH**";

INSTITUTO DE INVESTIGACIONES DE LA AMAZONÍA PERUANA, having its main administrative offices at Avenida Abelardo Quiñones km 2.5, Ciudad de Iquitos, Loreto, Perú, hereafter referred to as "**IIAP**"; and

INSTITUTO MULTIDISCIPLINARIO DE BIOLOGÍA VEGETAL (MBIV), UNIVERSIDAD NACIONAL DE CÓRDOBA - CONICET, having its main administrative offices at Av. Haya de la Torre s/n, Córdoba, Argentina, hereafter referred to as "**CONICET**",

hereinafter referred to as the "**Parties**" (and each of them being a "**Party**").

The Parties declare to agree, before the São Paulo Research Foundation – FAPESP, that they each have their own institutional intellectual property, confidentiality and publications policies and will adhere to them.

Ownership of intellectual property in all results produced as part of the Latin American Biodiversity Programme: Biodiversity - Ecosystem services for sustainable development, a joint cooperation among UKRI - UK Research and Innovation / NERC - Natural Environment Research

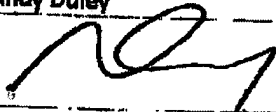

Council / NF - Newton Fund / within the Research project entitled "ARBOLES: A trait-based Understanding of LATAM Forest Biodiversity and Resilience" funded under the joint call for proposals - LATAM - Biodiversity in Latin America, will be negotiated by the institutions in good faith in a collaboration agreement, but it is anticipated that intellectual property will be creator-owned and where jointly-created, it will be jointly-owned in equal shares, with the joint-owners sharing the costs of intellectual property protection and exploitation arrangements equally.

This Letter of Agreement shall be effective for a period of three years, as from the date of the last signature executed by the representatives of all Parties, unless superseded by the collaboration agreement.
