Profissional com 20 anos de experiência na área de relações internacionais, meio ambiente, políticas e instrumentos ambientais, planejamento e gestão ambiental. Membro da Carreira de Especialista em Meio Ambiente/Analista Ambiental do Ministério do Meio Ambiente em Brasília-DF desde 2007 (atualmente em regime de afastamento, sem vencimentos). Trabalhou na Assessoria de Assuntos Internacionais (ASIN/MMA) entre 2007 e 2011, ocupando o cargo de Chefe-Adjunto. Doutorando na Escola de Políticas Públicas da *Australian National University* (ANU) em Camberra, na Austrália, com pesquisa sobre a geografia política do desmatamento no Brasil e a implementação de políticas públicas federais para sua prevenção e controle no pós-Constituição Federal de 1988. Bolsista de Doutorado Pleno no Exterior da CAPES (Área de Pesquisa: Ciência Política e Relações Internacionais). Mestre em Estudos do Desenvolvimento pelo Instituto de Altos Estudos Internacionais e do Desenvolvimento (IHEID, Genebra, 2013), com dissertação sobre políticas de adaptação à mudança do clima no Brasil. Mestre em Geografia Humana na Universidade Federal de Minas Gerais (Instituto de Geociências/UFMG, 2008) com dissertação sobre cooperação internacional para florestas no Brasil. Pós-graduado em “Elaboração e Gestão de Projetos Internacionais”, pela PUC-MG, em 2005. Bacharel em Relações Internacionais pela PUC-MG, em 2003. Membro do Grupo de Estudos sobre Políticas Públicas Espaciais, coordenado pela Dra. Marília Steinberger, entre 2019 e 2021 (Universidade de Brasília, com apoio do CNPq). Experiência profissional em organismos internacionais, centros de pesquisa e organizações não-governamentais.

Formação Acadêmica

AUSTRALIAN NATIONAL UNIVERSITY (ANU) – Camberra, Austrália

Doctor of Philosophy (PhD candidate – Conclusão prevista para 2023)

Crawford School of Public Policy – *Resources, Environment and Development Program*Tópico de Pesquisa: *Deforestation Control and Forest Law Enforcement in Brazil: Understanding Policy Preferences, Strategies and Effects (1988-2022)*.*Painel de Orientação*: Luca Tacconi (Crawford School/ANU, Chair), Tracy Fenwick (School of Politics and International Relations/ANU), Marília Steinberger (Universidade de Brasília), Raoni Rajão (Univers-UFMG).

GRADUATE INSTITUTE OF INTERNATIONAL AND DEVELOPMENT STUDIES – Genebra, Suíça

Master's in development studies – Sustainable Development Track

Dissertação: “The influence of climate change adaptation discourses and policies on local governance in Brazil”. Concluída em junho de 2013. *Orientador*: Dr. Marc Hufty.

UNIVERSIDADE FEDERAL DE MINAS GERAIS (UFMG) – Belo Horizonte, Brasil

Mestre em Geografia – Área: Organização do Espaço

Dissertação: “Da Exploração à Cooperação Internacional para a Mata Atlântica: Implementação do PDA Mata Atlântica”. Concluída em junho de 2008. *Orientadora: Dra. Doralice Barros.*

PONTIFÍCIA UNIVERSIDADE CATÓLICA DE MINAS GERAIS (PUC-MG) - Belo Horizonte, Brasil
 Pós-graduação em “Elaboração e Gestão de Projetos Internacionais, com ênfase no Terceiro Setor”.
 Concluída em junho de 2005. *Orientador: Dr. Carlos Flores.*

Experiência Profissional (Em inglês)

1 ▶ Australian National University (Crawford School of Public Policy). Canberra, Australia. From July 2017 to December 2018. Position: Researcher in the project: “Enhancing smallholder benefits from Reduced Emissions from Deforestation and Forest Degradation in Indonesia”.

Main duties and responsibilities: Support comparative research on forest law enforcement in Brazil and Indonesia, to identify lessons for reducing emission from land use change in leading tropical countries. Position included the elaboration of a report on “Law Enforcement and Forest Governance in Brazil” to draw comparisons between Brazil and Indonesia, from an institutional perspective.

2 ▶ Australian National University (School of Politics and International Relations/SPIR). Canberra, Australia. From October to December 2016. Position: *Research Assistant*.

Main duties and responsibilities: Research Assistant to Dr. Tracy Beck Fenwick, Director of the Australian Centre for Federalism (SPIR/ANU). Data collection and research on federalism and social policy implementation in Brazil.

3 ▶ Australian National University (Crawford School of Public Policy). Canberra, Australia. From February to June 2016. Position: *Teaching Assistant EMDV 8104 – Environmental Governance, Semester 1/2016*.

Main duties and responsibilities: Organize and give tutorial sessions as part of the course convened by Dr. Luca Tacconi (Master’s level). Read and mark assignments (2 papers and 1 exam).

4 ▶ Australian National University (School of Politics and International Relations/SPIR). Canberra, Australia. From April to December 2015. Position: *Research Assistant*.

Main duties and responsibilities: Research Assistant to Dr. Tracy Beck Fenwick, Director of the Australian Centre for Federalism (SPIR/ANU). Data collection and research on Contemporary Brazilian Federalism, discussing its impacts on ‘unity’ and ‘diversity’.

5 ▶ Inter-American Development Bank - IDB. Brasilia, Brazil.

From March 2012 to March 2015. Position: *External consultant on climate change adaptation and mitigation policies and instruments in Brazil*.

Main duties and responsibilities: Elaboration of technical studies on climate change policies and instruments in Brazil. Elaboration of a methodology for climate planning and budget tracking in Brazil.

Elaboration of background studies on climate change and development. E-Tutoring for 120 public officials in Brazil (120 hours).

6 ▶ United Nations Environment Program Finance Initiative (UNEP FI). Geneva, Switzerland. From January 2013 to June 2013. *Position: REDD and Sustainable Land Use, Internship program.*

Main duties and responsibilities: Research on/monitoring of developments in international negotiations related to REDD+ finance and sustainable land use. Assistance with UNEP FI REDD+ publications and policy briefs, including REDD+ country ‘investment briefs’ (feasibility studies on innovative land-use financing models and analysis on investments into forestry/sustainable land use).

7 ▶ International Center for Trade and Sustainable Development (ICTSD). Geneva, Switzerland. From November 2011 to March 2012. *Position: Global Platform on Climate Change, Trade and Sustainable Energy, Internship program.*

Main duties and responsibilities: Support research on the intersections of trade, climate change and energy in developing countries. Tasks included the elaboration of background paper entitled ‘Multilateral negotiations at the intersection of trade and climate change’, which presented an overview of developing countries’ priorities in the context of three multilateral fora: The United Nations Framework Convention on Climate Change (UNFCCC), the World Trade Organization (WTO) and the United Nations Conference on Sustainable Development (Rio+20).

8 ▶ Ministry of the Environment of Brazil (Office for International Affairs). Brasília, Brazil. From March 2007 to November 2010. *Position: Environmental Analyst (Deputy Head of the Office for International Affairs).*

Main duties and responsibilities: Negotiate international agreements and cooperation projects for the Brazilian government, including its financing and budgetary arrangements (e.g., Amazon Fund). Take part in international forums and Conference of the Parties (COP) related to environment (e.g., Convention on International Trade in Endangered Species of Wild Fauna and Flora – CITES; the Hazardous Chemicals and Wastes Conventions; UNEP Governing Council).
