# Sergio P. Firpo

Secretário do Ministério de Planejamento e Orçamento do Governo Federal do Brasil  
São Paulo, Brasil

## Resumo

Sergio Firpo is the National Secretary for Monitoring and Evaluation of Public Policies at Ministry of Planning and Budget, Brazil and Professor of Economics at Insper. He received his PhD in Economics from the University of California at Berkeley in 2003. He was an assistant professor of economics at the University of British Columbia, (2003–06) and at the Pontifical Catholic University of Rio de Janeiro (2004–08), and an associate professor at the Sao Paulo School of Economics (2008–15) before joining Insper in January 2016.

His main research interests are microeconometrics, policy evaluation, labor economics, development economics and empirical political economy.

His works have appeared at many peer-reviewed journals and books, including *Econometrica*, *Journal of Econometrics*, *Journal of Applied Econometrics*, *Journal of Development Economics*, *Journal of Human Resources*, and *Handbook of Labor Economics*. His research has been awarded prizes including the Richard Stone Prize in *Applied Econometrics*.

Firpo is an Elected Fellow of the Econometric Society and Level 1 Researcher at CNPq. He is also Research Fellow at the Institute of Labor Economics (IZA), the Global Labor Organization (GLO), the Center for Evaluation and Development (C4ED) and Center for Transdisciplinary Research in Education (CPTE-IU). He is an Associate Editor of the *Journal of Business Economics and Statistics*, *Journal of Econometric Methods* and *Journal of Applied Econometrics*.
