

# Watch out for the symptoms of MPOX

**HEADACHE**

**BODY PAIN**

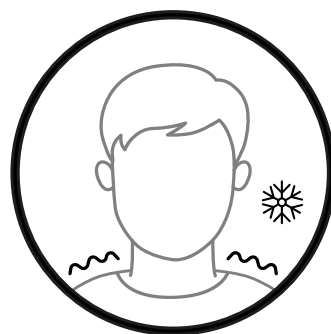

**SKIN LESIONS**  
*(skin rashes)*

**FEVER**

**BUBO**  
*(swollen lymph nodes)*

**SHIVERING**  
or **WEAKNESS**

**Keep an eye out for symptoms**

Avoid close contact and don't share personal belongings with other people.

If possible, wear clothes that cover the lesions and go to the nearest Basic Health Unit.
